Chilliwack Range Control has closed Vokes Range until further notice. The BCRA is listing the above matches so that our members may have an opportunity to maintain their shooting skills until Vokes reopens. The matches listed are for TR and F class. It is strongly advised that you check with the Range or Match Director to ensure the match is still on and to announce your participation. Vancouver Island Region and Service Conditions Matches will be posted on the BCRA Website.

Ranges in **RED** you will need a current Form 6 and invitation to the match to cross the border.
